

**AMENDMENT TO THE AMENDMENT IN THE
NATURE OF A SUBSTITUTE TO H.R. 7776
OFFERED BY MR. MAST OF FLORIDA**

At the end of title III, add the following:

1 **SEC. 3 ____ . LAKE OKEECHOBEE DISCHARGE PROHIBITION.**

2 The Secretary shall prohibit discharges of water from
3 Lake Okeechobee through the S-308 and S-80 lock and
4 dam structures when the water exceeds the maximum con-
5 centration of microcystins recommended for recreational
6 waters by the Environmental Protection Agency, as de-
7 scribed in the notice titled “Recommended Human Health
8 Recreational Ambient Water Quality Criteria or Swim-
9 ming Advisories for Microcystins and
10 Cylindrospermopsin” (84 Fed. Reg. 26413) (or any suc-
11 cessor water quality criteria), based on tests conducted by
12 the Secretary, another Federal agency, or the State of
13 Florida.
