1 (e) DEFINITIONS.—Section 220(j)(1) of the Federal
2 Water Pollution Control Act (as redesignated by sub-
3 section (d) of this section) is amended by striking “or by
4 treating wastewater” and inserting “(including
5 stormwater), by treating wastewater (including
6 stormwater) for groundwater recharge, potable reuse, or
7 other purposes, or by reintroducing fresh water inputs into
8 surface water sources with the goal of reestablishing ap-
9 propriate salinity levels”.
