

**AMENDMENT**

**OFFERED BY MR. GARCÍA OF ILLINOIS**

Section 1602 of the bill is amended by inserting after subsection (b) the following (and redesignate any subsequent subsections accordingly):

1       (c) 85<sup>TH</sup> PERCENTILE.—As part of the revision re-  
2       quired under subsection (a), the Secretary shall disallow  
3       the use of the 85th percentile speed, or any other per-  
4       centile speed, as the basis for setting a speed limit on a  
5       roadway.

6       (d) REVISION GUIDANCE.—Not later than 1 year  
7       after the revision in subsection (c) takes effect, the Sec-  
8       retary shall update any regulations, guidance, notices, bul-  
9       letins or other Department of Transportation documenta-  
10      tion to reflect the disallowing the use of the 85th per-  
11      centile speed in the Manual on Uniform Traffic Control  
12      Devices.
