16                 ‘Salmon Recovery Plans’ means the recovery plans  
17                 for salmon and steelhead species approved by the  
18                 Secretary of the Interior under section 4(f) of the  
19                 Endangered Species Act of 1973.

20                 “(16) STATE ADVISORY COMMITTEE.—The  
21                 term ‘State Advisory Committee’ means the advisory  
22                 committee established by subsection (e).

23                 “(17) TREATY RIGHTS AT RISK INITIATIVE.—  
24                 The term ‘Treaty Rights at Risk Initiative’ means  
25                 the report from the treaty Indian tribes of western

1 Washington entitled ‘Treaty Rights at Risk: Ongo-  
2 ing Habitat Loss, the Decline of the Salmon Re-  
3 source, and Recommendations for Change’ and  
4 dated July 14, 2011, or its successor report, which  
5 outlines issues and offers solutions for the protection  
6 of Tribal treaty rights, recovery of salmon habitat,  
7 and management of sustainable treaty and nontreaty  
8 salmon fisheries, including through tribal salmon  
9 hatchery programs.

10 “(b) CONSISTENCY.—All Federal agencies rep-  
11 resented on the Puget Sound Federal Leadership Task  
12 Force shall act consistently with the protection of Tribal,  
13 treaty-reserved rights and, to the greatest extent prac-  
14 ticable given such agencies’ existing obligations under  
15 Federal law, act consistently with the objectives and prior-  
16 ities of the Action Agenda, Salmon Recovery Plans, the  
17 Treaty Rights at Risk Initiative, and the Coastal Nonpoint  
18 Pollution Control Program, when—

19 “(1) conducting Federal agency activities within  
20 or outside Puget Sound that affect any land or  
21 water use or natural resources of Puget Sound and  
22 its tributary waters, including activities performed  
23 by a contractor for the benefit of a Federal agency;

1           “(2) interpreting and enforcing regulations that  
2 impact the restoration and protection of Puget  
3 Sound;

4           “(3) issuing Federal licenses or permits that  
5 impact the restoration and protection of Puget  
6 Sound; and

7           “(4) granting Federal assistance to State, local,  
8 and Tribal governments for activities related to the  
9 restoration and protection of Puget Sound.

10          “(c) PUGET SOUND RECOVERY NATIONAL PROGRAM  
11 OFFICE.—

12           “(1) ESTABLISHMENT.—There is established in  
13 the Environmental Protection Agency a Puget  
14 Sound Recovery National Program Office to be lo-  
15 cated in the State of Washington.

16           “(2) DIRECTOR.—

17           “(A) IN GENERAL.—The Director of the  
18 Program Office shall be a career reserved posi-  
19 tion, as such term is defined in section  
20 3132(a)(8) of title 5, United States Code.

21           “(B) QUALIFICATIONS.—The Director of  
22 the Program Office shall have leadership and  
23 project management experience and shall be  
24 highly qualified to—

1                         “(i) direct the integration of multiple  
2                         project planning efforts and programs  
3                         from different agencies and jurisdictions;  
4                         and

5                         “(ii) align numerous, and often con-  
6                         flicting, needs toward implementing a  
7                         shared Action Agenda with visible and  
8                         measurable outcomes.

9                         “(3) DELEGATION OF AUTHORITY; STAFFING.—  
10                         Using amounts made available pursuant to sub-  
11                         section (i), the Administrator shall delegate to the  
12                         Director such authority and provide such staff as  
13                         may be necessary to carry out this section.

14                         “(4) DUTIES.—The Director shall—

15                         “(A) coordinate and manage the timely  
16                         execution of the requirements of this section,  
17                         including the formation and meetings of the  
18                         Puget Sound Federal Leadership Task Force;

19                         “(B) coordinate activities related to the  
20                         restoration and protection of Puget Sound  
21                         across the Environmental Protection Agency;

22                         “(C) coordinate and align the activities of  
23                         the Administrator with the Action Agenda,  
24                         Salmon Recovery Plans, the Treaty Rights at

1 Risk Initiative, and the Coastal Nonpoint Pollution  
2 Control Program;

3 “(D) promote the efficient use of Environmental  
4 Protection Agency resources in pursuit  
5 of Puget Sound restoration and protection;

6 “(E) serve on the Puget Sound Federal  
7 Leadership Task Force and collaborate with,  
8 help coordinate, and implement activities with  
9 other Federal agencies that have responsibilities  
10 involving Puget Sound restoration and protec-  
11 tion;

12 “(F) provide or procure such other advice,  
13 technical assistance, research, assessments,  
14 monitoring, or other support as is determined  
15 by the Director to be necessary or prudent to  
16 most efficiently and effectively fulfill the objec-  
17 tives and priorities of the Action Agenda, Salmon  
18 Recovery Plans, the Treaty Rights at Risk  
19 Initiative, and the Coastal Nonpoint Pollution  
20 Control Program consistent with the best avail-  
21 able science and to ensure the health of the  
22 Puget Sound ecosystem;

23 “(G) track the progress of the Environmental  
24 Protection Agency towards meeting the  
25 Agency’s specified objectives and priorities with-

1           in the Action Agenda and the Federal Action  
2           Plan;

3           “(H) implement the recommendations of  
4           the Comptroller General, set forth in the report  
5           entitled ‘Puget Sound Restoration: Additional  
6           Actions Could Improve Assessments of  
7           Progress’ and dated July 19, 2018;

8           “(I) serve as liaison and coordinate activi-  
9           ties for the restoration and protection of the  
10          Salish Sea, with Canadian authorities, the Pa-  
11          cific Salmon Commission, and the International  
12          Joint Commission; and

13          “(J) carry out such additional duties as  
14          the Administrator determines necessary and ap-  
15          propriate.

16          “(d) PUGET SOUND FEDERAL LEADERSHIP TASK  
17          FORCE.—

18          “(1) ESTABLISHMENT.—There is established a  
19          Puget Sound Federal Leadership Task Force.

20          “(2) DUTIES.—

21          “(A) GENERAL DUTIES.—The Puget  
22          Sound Federal Leadership Task Force shall—

23           “(i) uphold Federal trust responsibil-  
24           ties to restore and protect resources cru-  
25           cial to Tribal treaty rights, including by

1           carrying out government-to-government  
2           consultation with Indian tribes when re-  
3           quested by such tribes;

4                 “(ii) provide a venue for dialogue and  
5                 coordination across all Federal agencies on  
6                 the Puget Sound Federal Leadership Task  
7                 Force to align Federal resources for the  
8                 purposes of carrying out the requirements  
9                 of this section and all other Federal laws  
10                that contribute to the restoration and pro-  
11                tection of Puget Sound, including by—

12                     “(I) enabling and encouraging  
13                 the Federal agencies represented on  
14                 the Puget Sound Federal Leadership  
15                 Task Force to act consistently with  
16                 the objectives and priorities of the Ac-  
17                 tion Agenda, Salmon Recovery Plans,  
18                 the Treaty Rights at Risk Initiative,  
19                 and the Coastal Nonpoint Pollution  
20                 Control Program;

21                     “(II) facilitating the coordination  
22                 of Federal activities that impact the  
23                 restoration and protection of Puget  
24                 Sound;

1                         “(III) facilitating the delivery of  
2                         feedback given by Federal agencies to  
3                         the Puget Sound Partnership during  
4                         the development of the Action Agen-  
5                         da;

6                         “(IV) facilitating the resolution  
7                         of interagency conflicts associated  
8                         with the restoration and protection of  
9                         Puget Sound among the agencies rep-  
10                         resented on the Puget Sound Federal  
11                         Leadership Task Force;

12                         “(V) providing a forum for ex-  
13                         changing information among agencies  
14                         regarding activities being conducted,  
15                         including obstacles or efficiencies  
16                         found, during Puget Sound restora-  
17                         tion and protection activities; and

18                         “(VI) promoting the efficient use  
19                         of government resources in pursuit of  
20                         Puget Sound restoration and protec-  
21                         tion through coordination and collabora-  
22                         tion, including by ensuring that the  
23                         Federal efforts relating to the science  
24                         necessary for restoration and protec-  
25                         tion of Puget Sound are consistent,

1                   and not duplicative, across the Federal  
2                   Government;

3                   “(iii) catalyze public leaders at all levels  
4                   to work together toward shared goals  
5                   by demonstrating interagency best practices  
6                   coming from the members of the Puget Sound Federal Leadership Task  
7                   Force;

8  
9                   “(iv) provide advice and support on scientific and technical issues and act as a forum for the exchange of scientific information about Puget Sound;

10  
11  
12  
13                   “(v) identify and inventory Federal environmental research and monitoring programs related to Puget Sound, and provide such inventory to the Puget Sound National Estuary Program Management Conference;

14  
15  
16  
17  
18  
19                   “(vi) ensure that Puget Sound restoration and protection activities are as consistent as practicable with ongoing restoration and protection and related efforts in the Salish Sea that are being conducted by Canadian authorities, the Pacific Salm-

1                   on Commission, and the International  
2                   Joint Commission;

3                   “(vii) establish any necessary working  
4                   groups or advisory committees necessary to  
5                   assist the Puget Sound Federal Leadership  
6                   Task Force in its duties, including public  
7                   policy and scientific issues;

8                   “(viii) raise national awareness of the  
9                   significance of Puget Sound;

10                  “(ix) work with the Office of Management  
11                  and Budget to give input on the  
12                  crosscut budget under subsection (h); and

13                  “(x) submit a biennial report under  
14                  subsection (g) on the progress made toward  
15                  carrying out the Federal Action Plan.

16                  “(B) PUGET SOUND FEDERAL ACTION  
17                  PLAN.—

18                  “(i) IN GENERAL.—Not later than 5  
19                  years after the date of enactment of this  
20                  section, the Puget Sound Federal Leadership  
21                  Task Force shall develop and approve  
22                  a Federal Action Plan that leverages Federal  
23                  programs across agencies and serves  
24                  to coordinate diverse programs on a spe-

1                   cific suite of priorities on Puget Sound re-  
2                   covery.

3                   “(ii) REVISION OF PUGET SOUND  
4                   FEDERAL ACTION PLAN.—Not less often  
5                   than once every 5 years after the date of  
6                   completion of the Federal Action Plan de-  
7                   scribed in clause (i), the Puget Sound Fed-  
8                   eral Leadership Task Force shall review,  
9                   and revise as appropriate, the Federal Ac-  
10                  tion Plan.

11                  “(C) FEEDBACK BY FEDERAL AGEN-  
12                  CIES.—In facilitating feedback under subparagraph (A)(ii)(III), the Puget Sound Federal  
13                  Leadership Task Force shall request Federal  
14                  agencies to consider, at a minimum, possible  
15                  Federal actions designed to—

16                  “(i) further the goals, targets, and ac-  
17                  tions of the Action Agenda, Salmon Recov-  
18                  ery Plans, the Treaty Rights at Risk Ini-  
19                  tiative, and the Coastal Nonpoint Pollution  
20                  Control Program;

21                  “(ii) implement and enforce this Act,  
22                  the Endangered Species Act of 1973, and  
23                  all other Federal laws that contribute to  
24                  the restoration and protection of Puget

1 Sound, including those that protect Tribal  
2 treaty rights;

3 “(iii) prevent the introduction and  
4 spread of invasive species;

5 “(iv) prevent the destruction of ma-  
6 rine and wildlife habitats;

7 “(v) protect, restore, and conserve for-  
8 ests, wetlands, riparian zones, and near-  
9 shore waters that provide marine and wild-  
10 life habitat;

11 “(vi) promote resilience to climate  
12 change and ocean acidification effects;

13 “(vii) conserve and recover endan-  
14 gered species under the Endangered Spe-  
15 cies Act of 1973;

16 “(viii) restore fisheries so that they  
17 are sustainable and productive;

18 “(ix) preserve biodiversity;

19 “(x) restore and protect ecosystem  
20 services that provide clean water, filter  
21 toxic chemicals, and increase ecosystem re-  
22 silience; and

23 “(xi) improve water quality and re-  
24 store wildlife habitat, including by pre-  
25 venting and managing stormwater runoff,

1           incorporating erosion control techniques  
2           and trash capture devices, using sustain-  
3           able stormwater practices, and mitigating  
4           and minimizing nonpoint source pollution,  
5           including marine litter.

6           “(3) PARTICIPATION OF STATE ADVISORY COM-  
7           MITTEE AND PUGET SOUND TRIBAL MANAGEMENT  
8           CONFERENCE.—

9           “(A) IN GENERAL.—The Puget Sound  
10          Federal Leadership Task Force shall carry out  
11          its duties with input from, and in collaboration  
12          with, the State Advisory Committee and Puget  
13          Sound Tribal Management Conference.

14          “(B) SPECIFIC ADVICE AND RECOMMENDA-  
15          TIONS.—The Puget Sound Federal Leadership  
16          Task Force shall seek the advice and rec-  
17          ommendations of the State Advisory Committee  
18          and Puget Sound Tribal Management Con-  
19          ference on the actions, progress, and issues per-  
20          taining to restoration and protection of Puget  
21          Sound.

22          “(4) MEMBERSHIP.—

23           “(A) QUALIFICATIONS.—Members ap-  
24          pointed under this paragraph shall have experi-  
25          ence and expertise in matters of restoration and

1 protection of large watersheds and bodies of  
2 water or related experience that will benefit the  
3 restoration and protection effort of Puget  
4 Sound.

5 “(B) COMPOSITION.—The Puget Sound

14                         Federal Leadership Task Force determines  
15                         necessary.

16                         “(5) LEADERSHIP.—The Co-Chairs shall ensure  
17                         the Puget Sound Federal Leadership Task Force  
18                         completes its duties through robust discussion of all  
19                         relevant issues. The Co-Chairs shall share leadership  
20                         responsibilities equally.

21                         “(6) CO-CHAIRS.—The following members of  
22                         the Puget Sound Federal Leadership Task Force  
23                         appointed under paragraph (5) shall serve as Co-  
24                         Chairs of the Puget Sound Federal Leadership Task  
25                         Force:

1                 “(A) The representative of the National  
2                 Oceanic and Atmospheric Administration.

3                 “(B) The representative of the Puget  
4                 Sound Recovery National Program Office.

5                 “(C) The representative of the Corps of  
6                 Engineers.

7                 “(7) MEETINGS.—

8                 “(A) INITIAL MEETING.—The Puget  
9                 Sound Federal Leadership Task Force shall  
10                meet not later than 180 days after the date of  
11                enactment of this section—

12                “(i) to determine if all Federal agen-  
13                cies are properly represented;

14                “(ii) to establish the bylaws of the  
15                Puget Sound Federal Leadership Task  
16                Force;

17                “(iii) to establish necessary working  
18                groups or committees; and

19                “(iv) to determine subsequent meeting  
20                times, dates, and logistics.

21                “(B) SUBSEQUENT MEETINGS.—After the  
22                initial meeting, the Puget Sound Federal Lead-  
23                ership Task Force shall meet, at a minimum,  
24                twice per year to carry out the duties of the  
25                Puget Sound Federal Leadership Task Force.

1                 “(C) WORKING GROUP MEETINGS.—Meet-  
2         ings of any established working groups or com-  
3         mittees of the Puget Sound Federal Leadership  
4         Task Force shall not be considered a biannual  
5         meeting for purposes of subparagraph (B).

6                 “(D) JOINT MEETINGS.—The Puget Sound  
7         Federal Leadership Task Force shall offer to  
8         meet jointly with the Puget Sound National Es-  
9         tuary Program Management Conference and  
10       the Puget Sound Tribal Management Con-  
11       ference, at a minimum, once per year. A joint  
12       meeting under this subparagraph may be con-  
13       sidered a biannual meeting of the Puget Sound  
14       Federal Leadership Task Force for purposes of  
15       subparagraph (B), if agreed upon.

16                 “(E) QUORUM.—A majority number of the  
17         members of the Puget Sound Federal Leader-  
18         ship Task Force shall constitute a quorum.

19                 “(F) VOTING.—For the Puget Sound Fed-  
20         eral Leadership Task Force to pass a measure,  
21         a two-thirds percentage of the quorum must  
22         vote in the affirmative.

23                 “(8) PUGET SOUND FEDERAL LEADERSHIP  
24         TASK FORCE PROCEDURES AND ADVICE.—

1                 “(A) ADVISORS.—The Puget Sound Fed-  
2         eral Leadership Task Force, and any working  
3         group of the Puget Sound Federal Leadership  
4         Task Force, may seek advice and input from  
5         any interested, knowledgeable, or affected party  
6         as the Puget Sound Federal Leadership Task  
7         Force or working group, respectively, deter-  
8         mines necessary to perform its duties.

9                 “(B) COMPENSATION.—A member of the  
10       Puget Sound Federal Leadership Task Force  
11       shall receive no additional compensation for  
12       service as a member on the Puget Sound Fed-  
13       eral Leadership Task Force.

14                 “(C) TRAVEL EXPENSES.—Travel expenses  
15       incurred by a member of the Puget Sound Fed-  
16       eral Leadership Task Force in the performance  
17       of service on the Puget Sound Federal Leader-  
18       ship Task Force may be paid by the agency or  
19       department that the member represents.

20                 “(9) PUGET SOUND FEDERAL TASK FORCE.—

21                 “(A) IN GENERAL.—On the date of enact-  
22       ment of this section, the 2016 memorandum of  
23       understanding establishing the Puget Sound  
24       Federal Task Force shall cease to be effective.

1                 “(B) USE OF PREVIOUS WORK.—The  
2                 Puget Sound Federal Leadership Task Force  
3                 shall, to the extent practicable, use the work  
4                 product produced, relied upon, and analyzed by  
5                 the Puget Sound Federal Task Force in order  
6                 to avoid duplicating the efforts of the Puget  
7                 Sound Federal Task Force.

8                 “(e) STATE ADVISORY COMMITTEE.—

9                 “(1) ESTABLISHMENT.—There is established a  
10                 State Advisory Committee.

11                 “(2) MEMBERSHIP.—The committee shall con-  
12                 sist of up to seven members designated by the gov-  
13                 erning body of the Puget Sound Partnership, in con-  
14                 sultation with the Governor of Washington, who will  
15                 represent Washington State agencies that have sig-  
16                 nificant roles and responsibilities related to Puget  
17                 Sound recovery.

18                 “(f) FEDERAL ADVISORY COMMITTEE ACT.—The  
19                 Puget Sound Federal Leadership Task Force, State Advi-  
20                 sory Committee, and any working group of the Puget  
21                 Sound Federal Leadership Task Force, shall not be con-  
22                 sidered an advisory committee under the Federal Advisory  
23                 Committee Act (5 U.S.C. App.).

1        “(g) PUGET SOUND FEDERAL LEADERSHIP TASK  
2 FORCE BIENNIAL REPORT ON PUGET SOUND RECOVERY  
3 ACTIVITIES.—

4            “(1) IN GENERAL.—Not later than 1 year after  
5            the date of enactment of this section, and biennially  
6            thereafter, the Puget Sound Federal Leadership  
7            Task Force, in collaboration with the Puget Sound  
8            Tribal Management Conference and the State Advi-  
9            sory Committee, shall submit to the President, Con-  
10          gress, the Governor of Washington, and the gov-  
11          erning body of the Puget Sound Partnership a re-  
12          port that summarizes the progress, challenges, and  
13          milestones of the Puget Sound Federal Leadership  
14          Task Force on the restoration and protection of  
15          Puget Sound.

16            “(2) CONTENTS.—The report under paragraph  
17          (1) shall include a description of the following:

18                “(A) The roles and progress of each State,  
19                local government entity, and Federal agency  
20                that has jurisdiction in the Puget Sound region  
21                toward meeting the identified objectives and  
22                priorities of the Action Agenda, Salmon Recov-  
23                ery Plans, the Treaty Rights at Risk Initiative,  
24                and the Coastal Nonpoint Pollution Control  
25                Program.

1                 “(B) If available, the roles and progress of  
2                 Tribal governments that have jurisdiction in the  
3                 Puget Sound region toward meeting the identi-  
4                 fied objectives and priorities of the Action  
5                 Agenda, Salmon Recovery Plans, the Treaty  
6                 Rights at Risk Initiative, and the Coastal  
7                 Nonpoint Pollution Control Program.

8                 “(C) A summary of specific recommenda-  
9                 tions concerning implementation of the Action  
10                 Agenda and Federal Action Plan, including  
11                 challenges, barriers, and anticipated milestones,  
12                 targets, and timelines.

13                 “(D) A summary of progress made by  
14                 Federal agencies toward the priorities identified  
15                 in the Federal Action Plan.

16                 “(h) CROSSCUT BUDGET REPORT.—

17                 “(1) FINANCIAL REPORT.—Not later than 1  
18                 year after the date of enactment of this section, and  
19                 every 5 years thereafter, the Director of the Office  
20                 of Management and Budget, in consultation with the  
21                 Puget Sound Federal Leadership Task Force, shall,  
22                 in conjunction with the annual budget submission of  
23                 the President to Congress for the year under section  
24                 1105(a) of title 31, United States Code, submit to  
25                 Congress and make available to the public, including

1       on the internet, a financial report that is certified by  
2       the head of each agency represented by the Puget  
3       Sound Federal Leadership Task Force.

4           “(2) CONTENTS.—The report shall contain an  
5       interagency crosscut budget relating to Puget Sound  
6       restoration and protection activities that displays—

7               “(A) the proposed funding for any Federal  
8       restoration and protection activity to be carried  
9       out in the succeeding fiscal year, including any  
10       planned interagency or intra-agency transfer,  
11       for each of the Federal agencies that carry out  
12       restoration and protection activities;

13               “(B) the estimated expenditures for Fed-  
14       eral restoration and protection activities from  
15       the preceding 2 fiscal years, the current fiscal  
16       year, and the succeeding fiscal year; and

17               “(C) the estimated expenditures for Fed-  
18       eral environmental research and monitoring  
19       programs from the preceding 2 fiscal years, the  
20       current fiscal year, and the succeeding fiscal  
21       year.

22           “(3) INCLUDED RECOVERY ACTIVITIES.—With  
23       respect to activities described in the report, the re-  
24       port shall only describe activities that have funding  
25       amounts more than \$100,000.

1                 “(4) SUBMISSION TO CONGRESS.—The Director  
2                 of the Office of Management and Budget shall sub-  
3                 mit the report to—

4                 “(A) the Committee on Appropriations, the  
5                 Committee on Natural Resources, the Com-  
6                 mittee on Energy and Commerce, and the Com-  
7                 mittee on Transportation and Infrastructure of  
8                 the House of Representatives; and

9                 “(B) the Committee on Appropriations, the  
10                 Committee on Environment and Public Works,  
11                 and the Committee on Commerce, Science, and  
12                 Transportation of the Senate.

13                 “(i) AUTHORIZATION OF APPROPRIATIONS.—In addi-  
14                 tion to any other funds authorized to be appropriated for  
15                 activities related to Puget Sound, there is authorized to  
16                 be appropriated to carry out this section \$50,000,000 for  
17                 each of fiscal years 2022 through 2026.

18                 “(j) PRESERVATION OF TREATY OBLIGATIONS AND  
19                 EXISTING FEDERAL STATUS.—

20                 “(1) TRIBAL TREATY RIGHTS.—Nothing in this  
21                 section affects, or is intended to affect, any right re-  
22                 served by treaty between the United States and one  
23                 or more Indian tribes.

1           “(2) OTHER FEDERAL LAW.—Nothing in this  
2       section affects the requirements and procedures of  
3       other Federal law.

4           “(k) CONSISTENCY.—Actions authorized or imple-  
5       mented under this section shall be consistent with—

6           “(1) the Endangered Species Act of 1973 and  
7       the Salmon Recovery Plans of the State of Wash-  
8       ington;

9           “(2) the Coastal Zone Management Act of 1972  
10      and the Coastal Nonpoint Pollution Control Pro-  
11      gram;

12          “(3) the water quality standards of the State of  
13      Washington approved by the Administrator under  
14      section 303; and

15          “(4) other applicable Federal requirements.”.
