

**AMENDMENT**

**OFFERED BY MS. TITUS OF NEVADA**

In section 3007 of the bill after paragraph (1) insert the following (and redesignate any succeeding paragraphs accordingly):

- 1           (2) in subsection (b)(4)—
- 2                   (A) in subparagraph (A) by striking clause
- 3           (v) and inserting the following:
- 4                   “ (v) to implement programs in low-in-
- 5                   come and underserved populations to—
- 6                           (I) recruit and train occupant
- 7                           protection safety professionals, nation-
- 8                           ally certified child passenger safety
- 9                           technicians, police officers, fire and
- 10                          emergency medical personnel, and
- 11                          educators serving low-income and un-
- 12                          derserved populations;
- 13                          (II) educate parents and care-
- 14                          givers in low-income and underserved
- 15                          populations about the proper use and
- 16                          installation of child safety seats; and

1                   “(III) purchase and distribute  
2                   child safety seats to low-income and  
3                   underserved populations.”; and  
4                   (B) in subparagraph (B)—  
5                   (i) by striking “100 percent” and in-  
6                   serting “90 percent”; and  
7                   (ii) by adding at the end the fol-  
8                   lowing: “The remaining 10 percent of such  
9                   funds shall be used to carry out subsection  
10                  (A)(v).”
